Not for Public Dissemination

WaterISAC Members:

American Water is seeking additional mobile lab support assistance via WARN in the wake of the chemical spill in Charleston, West Virginia. Please see below and the attached document for more details.

#### **NATIONAL WARN NOTICE - WIDE DISTRIBUTION**

**Many of you have likely seen reporting on the chemical spill in Charleston, WV which has impacted the drinking water for the American Water's treatment and distribution systems.**

**American Water is seeking additional mobile lab support that can run samples for decision making support as they begin to take actions to clear the system.**

**The method and equipment specifications are attached.**

**Equipment - ThermoFisher GC/MS unit utilizes SM 524. The attached files includes the protocol utilized by Eastman, the chemical producer.**

**If you have this capability please contact Nick Santillo, American Water, for further details and logistical arrangements.**

**Ex. 6 - Personal Privacy**
